The Towns of Lysander and Van Buren and Village of Baldwinsville are developing a joint Local Waterfront Revitalization Program (LWRP) plan to guide future waterfront preservation and development efforts. As part of this effort, the project's Waterfront Advisory Committee and consultant team invite you to attend an Open House at the Baldwinsville Public Library on Wednesday, September 30th, 2026 from 10:00 am to 6:00 pm.

The focus of the Open House will be on the proposed recommendations for the LWRP, which include programs, projects, and policies related to Cross Lake, the Seneca and Oswego Rivers, and nearby upland areas. This is a drop-in-style event. Community members are encouraged to stop by at any time to browse project displays, meet with the project team, and share ideas.
