REASON FOR REQUEST

Please describe the reason for the requested zone change and how the request is consistent with the municipality's Comprehensive Plan and surrounding area.

The requested change to General Business is for a defined office and storage use of property and is not speculative rezoning. The proposed use consists of storage of company vehicles and equipment. The 30.86 acre site provides substantial area for setbacks, screening and buffering. A new access point is proposed, subject to applicable approvals, and would be designed and located to minimize impacts on neighboring properties. The property's location on the Rt 48 corridor and proposed controlled site design are intended to provide an orderly business use while addressing the comprehensive plan's objectives regarding highway access, surrounding properties and appropriate commercial development.
