To Whom It May Concern,

Please accept this letter as my support for the proposed rezoning of White Glove Dumpster Rentals' property on Route 48.

As a customer, I have had positive experiences with their team and appreciate the care they bring to their work. Their drivers have been courteous, mindful of neighboring properties, and respectful of the areas they serve.

I also value their involvement in our community. As a locally owned business, White Glove Dumpster Rentals contributes beyond its day-to-day services by supporting charitable efforts and local organizations. That commitment makes a meaningful difference.

I believe responsible businesses that serve their customers well and give back locally deserve our support. As a 38 year resident of Baldwinsville, I respectfully encourage you to approve the proposed zoning change for their Route 48 property.

Thank you for considering my perspective.

Sincerely,
Caryn Costanza

Dear Town Board Members,

My name is Lou Walker, and I am a lifelong resident of the Town of Lysander. I am writing to express my full support for Brett Maring's requested zoning change.

I have known Brett his entire life, and I can honestly say he is one of the most hardworking, honest, and down-to-earth people I have ever known. He is the kind of person who is always willing to lend a hand to someone in need and goes out of his way to bring people together.

Brett takes pride in everything he does, and I believe he is exactly the kind of person we should encourage to continue investing in our town and its future.

I respectfully ask the Town Board to support his zoning change request.

Sincerely,

Lou Walker
Lifelong Lysander Resident
